ABOUT US

MISSION

VISSION

VALUES

DEVELOPMENT

- Our goal is to become the leading and preferred provider of a wide range of products and services related to the maritime sector.
- We strive to offer comprehensive, high-quality solutions that meet the needs and expectations of our customers in all areas related to maritime transportation, port logistics, and maritime operations in general.
- Our mission is to offer perfect marine transport and handling solutions to our trading partners, while satisfying all international and administrative regulations in a stringent and highly professional approach both onboard and ashore.

EXCELLENCE

Trustworthy and honest are our delivered promises.

Responsible for providing quality work and contributing to the success of customers and partners.

Proactive in all our daily tasks and thinking approach.

Dedicated to innovate operational processes in our efforts to create added value for our customers and to develop our internal strategy.

Customer-oriented externally, and collaboration-oriented internally. Make extra efforts when necessary to provide the best possible service to our customers and partners

Always work to improve ourselves professionally, aiming to improve business and internal processes.

To Maintain a safe and secure workplace without harm to people, property and partners, and towards the environment on top.

73020637

ENDEAVOUR

Always to maintain a positive brand's image that signifies innovative development to all stakeholders. To be customers' obvious choice of service supplier for the service of ships during port calls, as well as handling of goods by ship.

To provide maritime-related services, focusing on continuous improvement and innovation in a positive and reliable way.

To be seen as an reliable and trustworthy business partner who has a real desire to add value to customers' business and products

SHIPPING

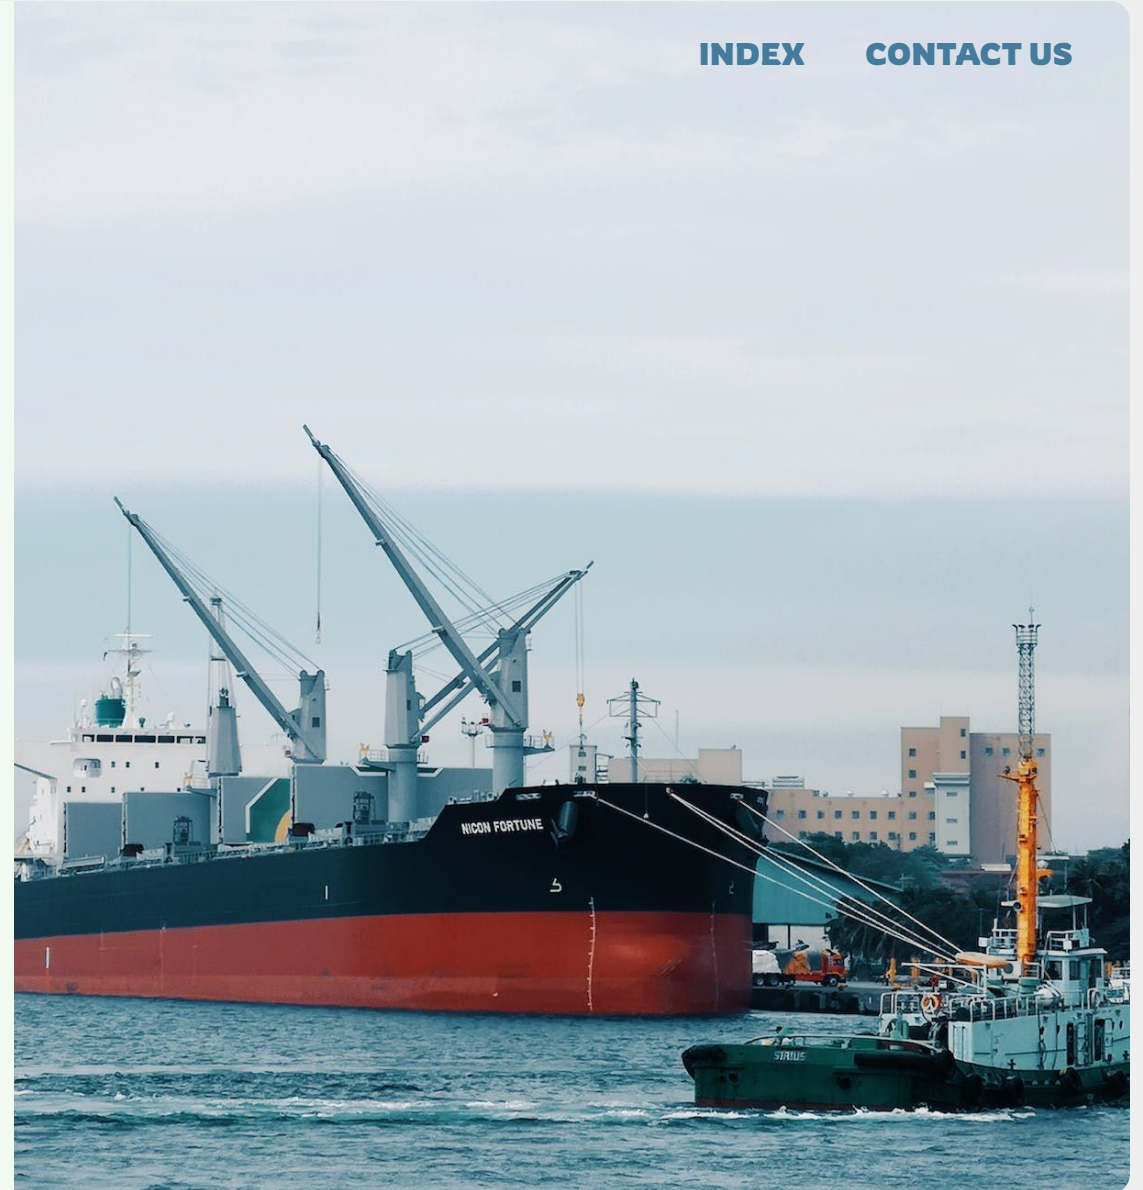

The company has strong knowledge on both commercial management and crew management of vessels (tankers) thanks to our directors.

Through our directors the company has access to the knowledge and expertise of commercial management for eight tanker vessels under Coastal Trading and aims to build its own fleet by implementing this particular expertise knowledge.

PROFESSIONAL

As part of the necessary steps to initiate vessels' acquisition, the company holds specific exclusive time contracts for dry cargo on Supramax and Panamax-sized vessels.

These exclusive dry cargo contracts are based on Point-to-Point traffic facilitating and enabling continuous shipping service in the Dry Bulk Iron Ore Sector, essential to fund the necessary strength and strategy on long-term objectives and to create an appropriate response to provide professional shipping services to our customers.
